N.B.

We serve quality beers and fine West country ciders alongside hearty comfort food. We take advantage of the availability of sustainable local produce at every point we can. Our charcoal fired oven 'Big Bertha' gets used for seasonal specials and wood fired cooking.

Fresh sustainable fish comes from day boats out of Ilfracombe Appledore and South Devon. We get meat as often as we can from local Exmoor and Devon suppliers. Bread comes freshly made from local bakeries and our eggs are always free range.

The Sawmills Freehouse is dedicated to providing a safe, welcoming and friendly atmosphere to all of our guests and staff. Please help us in achieving our mission by treating our staff with respect.
