We recycle all paper, plastic, tin, glass, printer cartridges and most importantly all our food waste is placed in an anaerobic digester and the energy produced goes back into the local grid.

Working together with 'Surfers against Sewage' and 'Plastic Free North Devon' to reduce the need for single use plastics in our businesses as well as encouraging our suppliers to do the same, to protect our oceans and environment for future generations.

N.B.

We serve quality beers and ales and a fine array of West Country Ciders alongside hearty comfort food inspired by Texas BBQ. We take advantage of an abundance of fine local produce and wherever possible, cooking with "Big Bertha" our charcoal-fired oven.

Fresh sustainable fish comes from day boats out of Ilfracombe, Appledore and South Devon. We get beef as often as we can from local Exmoor and Devon suppliers. Bread comes freshly made from local bakeries and our eggs are always free range.

The Sawmills Freehouse is dedicated to providing a safe, welcoming and friendly atmosphere to all of our guests and staff. Please help us in achieving our mission by treating our staff with respect.

ALLERGIES - Please bring any intolerances and allergies to the attention of the staff and they will assist you.

BABY FOODS - we are happy heat up baby foods for you, but parents must assume full responsibility to check that the food temperature is safe for your child to eat.
